DETAILED ACTION

1. Applicant's drawings are approved by the examiner
2. Applicant's amendment filed 1/24/06 has been entered and made of record.

With regard to Applicant's amendment filed 11/03/04, it is noted that claims 19-35 and 54-65 were canceled. However, in Applicant's amendment filed 1/24/06 page 5, it states "Claims 54-66 have been canceled" and adds new claims 66-67. Accordingly, the examiner assume that the there is a typographical error in amendment filed 1/24/06 and such statement that "Claims 54-66 have been canceled" ought to be read as "Claims 54-65 have been canceled. Therefore, claims 4, 13-18, 39, 48-53, and 66-67 are currently pending.

It is noted that Applicant has indicated there was an IDS filed along with the response filed 12/13/05 and 1/24/06, however, such an IDS has not been received.

3. Claims 4, 13-18, 39, 48-53, and 66-67 are allowed.
4. The following is an examiner's statement of reasons for allowance:

Reference is made to the amended features to independent claims 4, 39, and 66 as pointed out in paragraph below header "Claim Objections" mentioned in page 7 of Applicant's response filed 1/24/06 as to the reasons why the most relevant prior art previously applied do not anticipate or render obvious the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2627

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duy M. Dang whose telephone number is 571-272-7389. The examiner can normally be reached on Monday to Friday from 6:00AM to 2:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Mancuso can be reached on 571-272-7695. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
